## OUR MISSION

Chairman and Managing Partner :  
Mr. Ahmad Abdulla Al Shafar

Mr. Talal Saeed

Have a long term mission to develop standard turnkey solutions and to introduce the latest and most advanced techniques in the fit-out and furnishings field, starting with the idea of adopting a new concept in fit-out and interior decoration based on turnkey solution .

To enhance the interior and fit-out industry by defining and providing all possible solutions and expertise to projects.

To provide our employees with all support necessary to bring out in them the strongest team possible and to their fullest potential.

Fino's mission is to exceed a Customer's expectations by delivering the highest quality products and services available.

# HISTORY

# fino

International  
Interior Finishing Contractors

Fino International established in Dubai, UAE, in 2006 by leading Industry Professionals for the Hospitality, Fit-out, Joinery and Furniture Manufacturing Sector (FF&E).

The Founders Mr. Ahmad Abdallah Al Shafar and Mr. Talal Saeed. Both of these Entrepreneurial Businessman has established within the International Market successful multiple businesses that reflects on their ability to develop and lead fino International in becoming a market leaders and the first choice for the Clients and Consultant in the Interiors Industry.

Within the group fino International operates under the name of :

- Al-Merkas Industries
- Al-Merkaz Marble
- Al-Merkaz Contracting - Fino Construction
- Fino Interiors - trading & contracting - Qatar
- Design Studio - Qatar
- GSG Industries
- Fino International Abu Dhabi.

Our group of companies operates as standalone businesses which serve the industry both individually and collectively providing each Client an efficient streamlined solution to the Project requirements and provides a Turnkey Solution to achieving Clients goal. This unique in-house solution brings together the design development engineering, professionals, management, manufacturing and project execution to meet the needs of our clients Interiors Fit-out Projects.

Our flexibility is in our diverse and talented staff combined with a multi skilled work force which can undertake in any project.

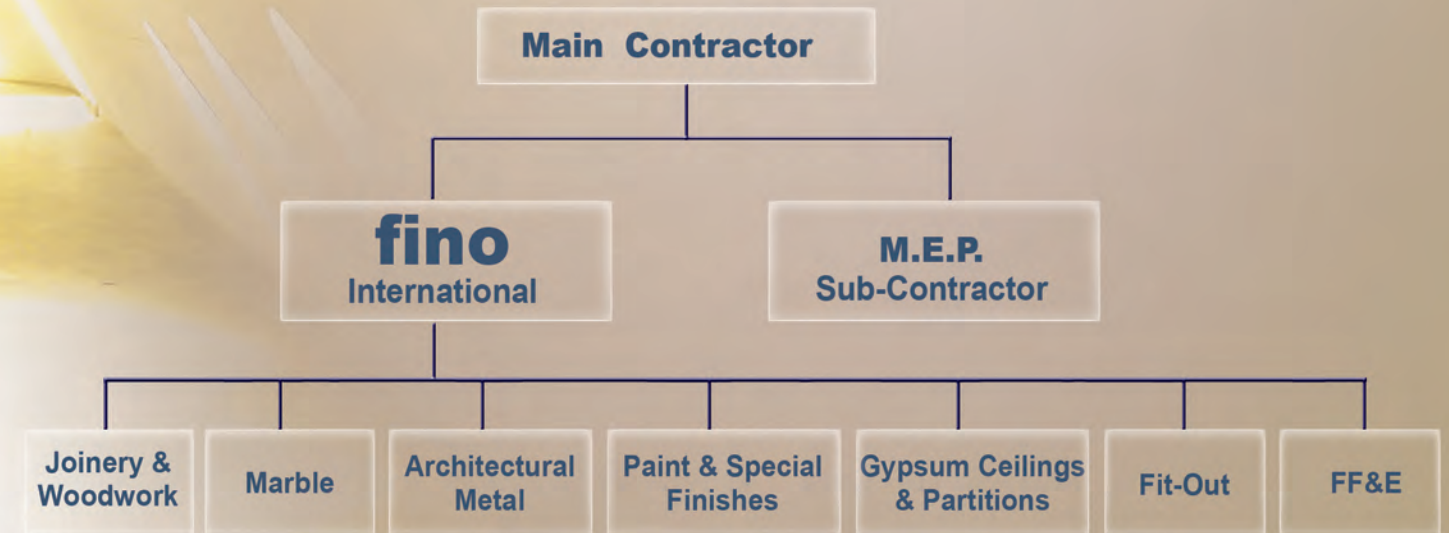

fino international

# fino CONCEPT

The philosophy of fino International is to provide enhanced transparency in the development and execution of the Projects through sharing our expertise in all aspect of Communication, Co-ordination, Detailed Design, Engineering, Manufacturing and Execution Solution. This in turn encourages the free interchange of ideas to motivate the complete team of professional to act as one unit to provide the client's the best possible solution and execution of their Project.

# fino

## DESIGN AND BUILD ETHOS

---

The ethos of fino International in its approach to servicing the unique challenges faced on each project is based on providing a turnkey coordinated solution. Our in-house team offers each client a streamlined approach to design development/engineering, through manufacturing and execution. We aim to encompass and co-ordinate all aspect of the process within our facilities to surpass our client goals and expectations.

# fino

## COMMITMENT

The commitment of fino International is to provide the highest quality of service and products for every element on each Project. In providing the highest standard for the project our commitment will be reflected in the finished product and thus exceed over clients goal.
